### **Viking Code of Honor**

This document says much about who we are and what we value. We are grateful and honored to work together to be our best!

### **Academic Eligibility**

\*7+8 graders can't have more than one class at or below 65%

Grades are checked on Tuesday morning and students are notified by Tuesday afternoon.

\*3, 4, 5, 6 graders must have work turned in on time. If a big project is missing or late, teachers will contact the coach and then that student is not eligible to practice or participate in the game.

Likewise, behavior matters. Specials teachers may contact a coach with concerns about student behavior, which may then have a penalty affecting participation in practice or competition.

### **Team Parents Needed**

Help organize for Team Party Day and Pictures on Thursday, April 25, Gifts

A few helpers needed for our Grace Invitational on Tuesday, May 7

### **Concussion Video (8 minutes)**

\*Concussion Training video, if you have not yet already viewed this at a parent meeting previously.
