- Make an obstacle course

- Share something with a neighbor
- Read a story to a little brother or sister
- Build a huge tower
- Find things outside and make a collage
- Try something new at the playground
- Explore a trail at the woods
- Brush your own teeth
- Brush your hair
- Put on pajamas by yourself
- Pick out your outfit for the next day
- Clean the sink in the bathroom
- Put away bath toys
- Wipe the counter
- Wipe off the dinner table

There are so many possibilities.

These are just ideas.

The main idea is to help your child find confidence through trying something new without you hovering or telling them how to do every step.

Mistakes are all a part of growth.
